MISCELLANEOUS DEPARTMENTS

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Notification dated 27th April 1949.

No. T. E. 605—48-49. Consequent on the discussions at the meetings of the State Nominees (for procurement of cloth) and the representatives, of the wholesale cloth dealers in the State held on 22nd April 1949 and in supersession of all instructions communicated to the Amildars of the Taluks in regard to the allotment of cloth among the retailers of the Taluks concerned and also communications allowing free sale of accumulated stocks of cloth with the wholesale dealers subject to certain conditions specified therein, the following revised procedure is laid down for movement of cloth from the State Nominees to the retailers through the wholesale dealers in order to prevent accumulation of stocks of cloth at any stage so that cloth may reach the consumers more quickly through the retailers in the State :—

1 The wholesale cloth dealers are required to lift the goods allotted within *twelve days* from the date of Purchase Authorities written in their favour. In the event of failure to do so, the allotment in question automatically lapses and under no circumstances should the State Nominees supply goods to such wholesale dealers after that date. The Nominees should report in such cases, if any, on the 13th day from the date of Purchase Authority to the Controller of Civil Supplies the name or names of such wholesale dealers as have not lifted the goods as per Purchase Authority issued in their favour. The Controller of Civil Supplies will thereupon re-allot such unlifted goods immediately to any other wholesale dealer of the Taluk to which such goods relate or to any other wholesale dealer of the District concerned or of any other District, as the case may be. In the event of any wholesale dealer failing to lift goods for two consecutive allotments, his wholesale license will be cancelled.

2 Copies of Purchase Authorities whenever written in favour of wholesale dealers attached to the Taluks will be forwarded to the Amildars of the Taluks concerned and in the cases of Mysore City, Kolar Gold Fields and Davangere City to the Deputy Commissioner, the Rationing Officer and the 1st Class Magistrate respectively on the dates on which Purchase Authorities are posted to the wholesale dealers attached to the respective areas for arranging to issue, as heretofore, Purchase Permits in equal quantity in yards to all the retail cloth dealers of the respective areas. In the case of Bangalore City and Civil Station, however, Purchase Permits to the retailers of these areas will be continued to be issued from the office of the Controller of Civil Supplies.

3 Purchase Authorities to the retailers of the respective areas, as above, in the State will be issued from the Offices concerned within *twelve days* from the date of Purchase Authorities written in favour of the wholesale Dealers.

4 The retailers should lift the goods from the wholesale dealers attached within fifteen days from the date of Purchase permits issued to them from the offices concerned.

5 In cases the retailers do not lift the goods allotted as per Purchases Permits issued in their favour within *fifteen days*, as specified above, the wholesale dealers will have the option of selling the stocks of cloth with them after twenty-seven days from the date of Purchase Authorities to any licensed retail cloth dealers within the District concerned at not more than 1,500 yds. to each retailer subject to furnishing information in the A and B forms appended hereto to the Amildar concerned and to the office of the Controller of Civil Supplies.

6 The above revised procedure is applicable also to the stocks of cloth remaining unsold with the wholesale dealers after allotment by this office or by the concerned Amildars or the Deputy Commissioner, Mysore.

7 In case the retail cloth dealers fail to lift the goods for two consecutive allotments, their licenses shall be liable for cancellation.
